<p>By signing below, I understand that these academic accommodations are <u>temporary</u> and granted as a courtesy due to the closure of Berkeley City College as a result of COVID-19 (Novel Coronavirus) outbreak. I acknowledge that by receiving these temporary accommodations that I am not automatically eligible for permanent accommodations and services through Programs &amp; Services for Students with Disabilities (PSSD), nor will it establish a history of being served as a student with learning disabilities. I realize these accommodations are only good until face to face classes restart and that I will need to complete the learning disabilities assessment to determine if I am eligible for the Learning Disability Program.</p>
